After death assistance by Pushing Up the Daisies

We can assist you to keep someone close after their last breath, until you are ready to hand them over. We advise on how to do things yourself or assist you to do them. We will always look for, and advise on, ways your close family, friends or community can be involved. If you need something not listed here, ask!

We provide a free initial consultation in-person, online or by telephone.

<b>Planning Ahead</b>	
Advice and guidance is given by volunteers – in-person, online and by telephone - with an invitation to make a donation to Pushing Up The Daisies.
